Sounds good.

To confirm – the 2/15 date is based on the number of bags you have and not the date that I provided to Hopedale.

Hi Kara,

As of today, it looks like we will need to re-excavate a small portion of AOI8 due to uranium exceedances and are awaiting analytical results from AOI9.

Shipments to Grafton/Upton will run through Wednesday February 15<sup>th</sup>. Any remaining soil will be shipped off-site using US Bulk direct shipment from the Site to USEI-WDI.

Todd

**\*\* WARNING EXTERNAL SENDER \*\***

Great work. To confirm – can you send me a few notes on the schedule for this week and next week. When do you expect to be finished with shipments? We are planning on sending someone out for the last day or two of work.

Thanks
